

ST ANTHONY'S CATHOLIC PRIMARY PE AND SPORT PREMIUM FUNDING SUMMARY END OF 2018 19

The government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, a sports premium has been paid to each school in the country. In our school this amounts to **£21 040**.

At St. Anthony's Catholic Primary School, we believe that sport plays an important part as it contributes to the health and well-being of our children. Sporting excellence and participation, alongside opportunities for team building and personal development, go hand in hand with academic standards. The funding allows us to continue and enhance the already good provision at the school.

Our sport premium funding will allow us to:

1. Engage all pupils in regular physical activity
2. Raise the profile of PE and sport across school as a tool towards wider improvement.
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport.
4. To provide a broader experience of a range of sports and activities for all pupils
5. Increase participation in competitive sport

Specifically, we have used Sport Premium to strengthen and improve our provision in the following ways:

- In providing specialist professional development opportunities for teachers in P.E. and Games by employing 2 dedicated PE teachers to deliver lessons and staff CPD.
- To buy into the School Games Organisation which provides opportunities for our school to compete with other regional schools in a range of Sports.
- To employ professional coaches to run lunchtime and afterschool Multi-sports and football clubs.
- In providing sporting opportunities during lunchtimes through purchasing equipment and employing staff.
- To support with transport for Sports Events with the running of a minibus.

The table below shows that there has been an overspend and this has been taken up through spending from the Pupil Premium fund. (Implications for next years spend is in bold).

Area	Activity	Impact	Funding/ Cost
1. Engage all pupils in regular physical activity	a) Introduce Go Noodle as a tool to lead engagement in the classroom.	a) Weekly tracking shows 31% of pupils accessed; however, the profile needs raising further.	a) NA
	b) Expand Wake Up Shake Up to 4 mornings	b) Average 120 (90 KS2/ 30 KS2) – Weekly minutes up from 5 400 to 7 200	b) Confidential
