"Let your words teach and your actions speak"

17th September 2020

Nursery Newsletter

We are so proud of the Nursery children and how well they have settled into our routine since starting with us! We have been focusing on learning our daily routine and learning about each of the different areas in Nursery. Our current topic is "Happy to Be Me" which focuses on learning about ourselves and our bodies – we have also been sharing our Treasure Bags with our friends so the children and staff can get to know each other!

Packed Lunches

From Monday 21st September all children will need a packed lunch from home. Please make sure your child's packed lunch is suitable, for example: a sandwich, crisps, fruit and a biscuit with a drink etc.

Uniform

Please make sure your child is in their full school uniform each day. All uniform, coats and bags should be labelled clearly with your child's name to prevent items from becoming lost. Nursery will not be responsible for lost items of clothing that have not got your child's name in them. Also a reminder that children should be wearing black shoes as footwear.

General Reminders

- Please make sure your child is only bringing the following items into school – school bag, lunchbox and water bottle.
- Please ensure there is only one adult collecting your child from the playground

Meeting with teachers

If you wish to speak to your child's class teacher, you will need to wait until all of the other children have been dropped off (morning) or collected (afternoon). If you do not collect your child from school, please message the teacher on SeeSaw or phone the main school office and ask for a phone call or meeting to be arranged.

Thank You

Finally, we would like to say a huge thank you for following all of the new routines and guidance as we try to navigate our way through the current situation together. We still have lots of exciting things planned for the year in Nursery; however, we do have to be mindful that things may be different and will take some getting used to. Please ensure the office have your most recent contact details and you have access to the Connect Parent App and SeeSaw so you are able to stay updated with any changes or upcoming events.

Kind regards,

The Nursery Team
