

The St Anthony's Charter

We live the Mission *and can explain how we have lived it out each day*

We have high expectations *of ourselves and each other.*

We take responsibility *and we are prepared for everything; in uniform, with homework, in presentation etc.*

We care for the environment *so we don't walk past things (tidy spaces – desks, displays, cloakrooms, playground etc)*

We are present and upbeat *so we talk to someone if we need help.*

We are adaptable *because we know that things happen!*

We value each other *so we assume everybody will come from an honourable place.*

We work hard in all lessons and have fun, *especially in our daily Literacy and Maths lessons.*
