Dear Parents/Carers,

In light of tonight's Government announcement, the Academy Trust has made the decision to close school tomorrow, Tuesday 5th January, to allow staff to finalise details for remote learning.

We aim to re-open school on Wednesday 6th January for children of key workers and vulnerable children. A survey will be sent out tomorrow morning to parents to enable us to determine key worker children and to finalise numbers. Therefore, please ensure you complete the survey by 11am on Tuesday 5th January.

Thank you for your cooperation.

We will continue to keep you updated.

All Blessings

Mr Peter Johnson
